

END USER LICENSE AGREEMENT

PixelCut s.r.o.

September 2017

I. GENERAL

The following End User License Agreement ("EULA") represents the contractual conditions between you ("Licensee") and PixelCut s.r.o., Vajnorska 105, 83104 Bratislava, Slovakia ("PixelCut") for the use of software including related documentation (for example program descriptions) created by PixelCut ("Licensed Software").

By installing and by registering the Licensed Software on your computer, you declare yourself in agreement with these conditions. If you do not agree with these conditions, you must not install the Licensed Software.

II. REGISTRATION / ACTIVATION

- (1) It is required that you activate the Licensed Software on your computer. It is not possible to use PixelCut Licensed Software that is not activated.
- (2) For the activation, you need to enter your email address and serial number you received in confirmation email after purchase of the Licensed Software. These data are stored together in our registration database. PixelCut uses a secure SSL connection with 128-bit-encryption that meets current security standards to transmit these data over the web.
- (3) The PixelCut activation uses information about essential system components of your computer, and encodes this information in a "Activation Request Data". This information does not include any personal data. The "Activation Request Data" is used to create an activation key, which works only on the computer where the "Activation Request Data" has been generated.
- (4) Should PixelCut, for whatever reasons, no longer be able to fulfill its obligations to deliver the activation key, it will provide Licensee with a key file which ensures the continued use of the licensed software independent of changes to the computer.
- (5) If you want to use your PixelCut Software Product on a different device, or if you make extensive changes to your device, you may need to re-activate your PixelCut Software Product.

III. SCOPE OF USE

The Licensed Software from PixelCut is protected by law. The intellectual property of the Licensed Software remains at PixelCut. Licensee as purchaser of the Licensed Software acquires only the right to use Licensed Software to the following extent. Any other use or exploitation not explicitly granted to Licensee in this EULA shall not be allowed without written consent from PixelCut. Specifically, Licensee is not entitled to copy or have copied, decompile or have decompiled, reverse engineer or have reverse engineered the Licensed Software or parts thereof. Licensee must ensure by appropriate and reasonable steps that third parties, including its own employees, cannot make unauthorized use of the Licensed Software. Licensee shall be liable to PixelCut for any loss or damage in this context.

- (1) PixelCut grants Licensee the non-exclusive right without restrictions in time or place to use the Licensed Software. PixelCut is not obliged to cede the software underlying source code, including the associated development documentation.
- (2) PixelCut grants Licensee the non-exclusive right without restrictions in time or place to use all functions, example, templates, clipart, libraries, symbols and generated code in the Licensed Software or generated by Licensed Software.
- (3) Licensee may install and personally use the licensed software on two devices (e.g. one laptop, one work station), provided that the said software is used only on one device regularly. Simultaneous use on more than one hardware device is not permitted. If the single computer is connected to a multi-user system, this EULA shall apply to all users of the system. In case Licensee changes the hardware, all software on the hardware used must be deleted.
- (4) Licensee may copy the licensed software, if such reproduction is necessary for the contractually agreed use. Licensee is authorized to create a backup, if this is necessary to secure the future use.
- (5) Licensee is not authorized to modify the software, unless it is to preserve or restore the agreed functions of the software purchased.
- (6) Third Parties
 - (a) Renting or lending the licensed Software to a third party is expressly forbidden. Apart from that and if not provided otherwise within this EULA, Licensee may leave the software to a third party for a certain amount of time, if the third party agrees to the terms of this EULA and Licensee does not use the software during this period.
 - (b) Except if otherwise stated within this EULA, Licensee may resell the software to a third party or transfer the software permanently free of charge, provided the third party agrees in writing with this EULA and Licensee ceases all use of the software,

completely removes all installed copies of the software from its computer. In addition, Licensee is required to de-register the purchased software with PixelCut. Following respective request from Licensee via its email address registered with PixelCut, the serial number of the Product will be transferred by PixelCut to the third party, and at the same time the email address of Licensee for the software purchased will be deleted.

- (7) In addition, for certain Licensed Software from PixelCut the following shall apply:
